## Project Linus

*Providing Security Through Blankets*

**Collin, Cooke, Grayson,  
& Rockwall Counties, TX Chapter**

Project Linus is a national volunteer non-profit organization. Our mission is to provide love, a sense of security, warmth, and comfort to children who are seriously ill, traumatized or otherwise in need through the gifts of new, handmade blankets, lovingly created by our volunteers.

We strive to provide a rewarding and fun service opportunity for interested individuals and groups in local communities, for the benefit of children.

No matter your experience or your age, there are ways you can help Project Linus serve the children in our communities.

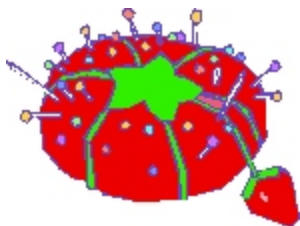

## About Us

The Collin, Cooke, Grayson, and Rockwall Counties Texas Chapter of Project Linus is a group of volunteers that provides comfort to the children, ages newborn to 17, in need of security and love by providing them with new handmade blankets.

Our chapter delivers approximately 600 blankets each month. We are in need of quilted, sewn, crocheted, knitted, and hand-tied blankets.

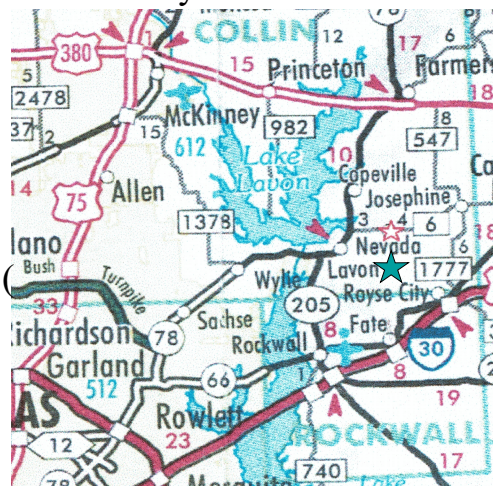

Our blankets must be fragrance and smoke-free with no pet hair or dander. All blankets must be new and washable. We distribute all sizes of blankets including small (36" X 36") (36"X45"), medium (45"- 48" X 60") and large (54"X 63") and twin sizw..

We also accept pieced tops ready for quilting.
